ON-LINE NEWSLETTER

The paper newsletter will no longer be available, unless by request*. In an effort to reduce costs and to minimize BFN's carbon footprint, we are moving away from the paper newsletter. The newsletter is, and will continue to be, available on the **website at Batchewana.ca.**

**Members from Goulais and Obadjiwon will continue to receive the newsletter.*

This new process will also alleviate the issues around time sensitive job postings.

No longer will the newsletter be the only avenue to post. The website will be the primary source to advertise. Goulais and Obadjiwan will have a job board placed at their Community buildings and hand delivered information when necessary.

In addition to the website Job postings will be available on BFN's facebook, twitter, linkedin and Instagram pages. There will also be a master job posting's email list available for anyone to join in the coming months.

Please watch the website, facebook page and newsletter for updates!

Thank you.

MEMORANDUM

To: Health Centres - Thunder Bay Area
From: Shelley Hakala, A/Manager – NIHB Medical Transportation
Date: January 17, 2019
Subject: Prior Approvals

Due to the large volume of Medical Transportation Applications arriving at times within a day or two of the Client's scheduled appointments, it has become necessary to implement a time line for the NIHB unit to accept applications for Approval.

This was originally implemented on June 18, 2012, but we are still seeing a very high number of non-urgent applications being sent in within days of the appointment.

All applications need to be submitted at least 10 days prior to the scheduled appointment.

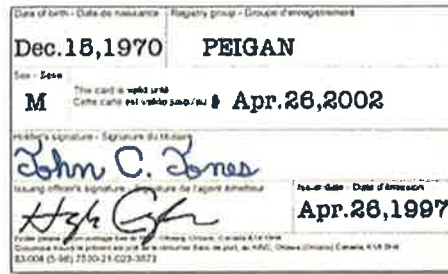

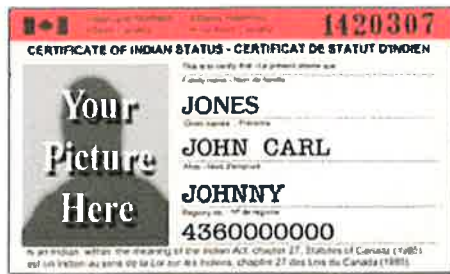

It is important that the clients are made aware of this, as they will need to produce the referral information to the Health Centre clerks in a timely manner to meet this request. The exception of course is in cases of emergency situations. NIHB Medical Transportation applications should NOT be received for non-urgent appointments the day before appointments or a few days before the appointment as this will result in them becoming post approvals.

In these cases, client or the band will have to pay for the expenses and submit for reimbursement.

If you require any further information or clarification, please feel free to contact myself with further questions or clarification.

Respectfully,

Shelley Hakala
A/Manager, Non-Insured Health Benefits, Medical Transportation
