On Saturday February 24th, BFN Health facilitated its second **Mental Health First Aid** (MHFA) Training. *Chi-Miigwetch* and Congrats to our 11 community members who attended and are now CERTIFIED in Mental Health First Aid!

Our goal at BFN Health is to train as many community members as possible at no charge. We have now trained 21 community members!

We hope this grassroots movement will have a significant impact on the wellbeing of our communities.

Our next training will be offered in the Spring (date to be determined). Looking forward to seeing everyone at the next training!

One out of three, or 9.2 million Canadians, experience a mental health or substance use disorder in their lifetime

MHFA has shown to have a positive impact on individuals, families and communities!
