Overview Summary

With Batchewana First Nation's unique land base, Batchewana First Nation was able to host three separate information sessions in each of its three communities. Each session opened with a traditional prayer, smudge ceremony, a prayer from a local elder and a feast. Upon completion of the feast all the participants in each community were provided with a package of information including a handbook, blank paper for notes, and a hard copy of the presentation. The representative from Crown Indigenous Relations and Northern Affairs Canada (CIRNAC), Joan McEwen, took ample time to present the information provided to the members via their handouts. Joan allowed sufficient time throughout the presentation for questions and providing intellectual answers to the membership. Each of the community information events lasted approximately 3 ½ hours in length and was facilitated by Trevor Sayers Sr. All three events were posted well in advance and they were open to all community members, from leadership, community Elders to the youth. They also welcomed those members on and off reserve and from other First Nations.

Dates and attendance for each information process was as follows:

Tuesday February 19th in Goulais Bay Community, attendance total - 16

Wednesday February 20th Obadjiwan Community, attendance total - 14

Thursday February 21st Rankin Community, Attendance - 42

SUMMER POSITIONS

POSITION: Various Summer Youth Positions

DESCRIPTION:

The Sault Area Hospital has applied for funding through the Canada Summer Job (CSJ) Program. CSJ is an initiative of the Youth Employment Strategy, which is the Government of Canada's commitment to help young people between the ages of 15 and 30, particularly those facing barriers to employment, get the information and gain the skills, work experience and abilities they need to transition successfully into the labour market. The number of approved funded positions will not be confirmed until the end of April 2019. All applicants **MUST** meet the eligibility requirements as set out by CSJ.
