## COMMUNITY BEAUTIFICATION

Beautification is a key aspect of community development, and it can be an easy way to bring people together. The dictionary defines beautification as a process of making visual improvements in a community.

If each community member takes responsibility to enhance the beauty of the community and diminish any eyesore, the shiny apple will emerge from looking dull and drab.

When: June 1, 2019 to  
August 24, 2019

We are looking to improve our community by making each street and home a "new apple"

Each member/homeowner looking to participate are required to have before and after pictures of their yard.

Homes will be based on different categories;

- Seniors
- New homeowners
- Most improved
- Best Lawn
- Best Flowers
- Apartments (Tenants working together)

Prizes will be given in each different category.

Garbage bags, Leaf bags and Gloves will be provided for this to community members who want to participate.

The Community will be making the final vote on who should win for each category.

Keep an eye on the BFN Facebook page for different tips and tricks to improve your yard!

For any other questions please contact the Tenant Liaison Jodi Sandie at 705-759-0914 Ext. 230
