Your Logo will be featured on a hole on the golf course

Workers Health  
& Safety Centre

# WORKING AT HEIGHTS Training IT'S THE LAW!

**Need to get into compliance fast? WHSC CAN HELP!**

**F**alls from heights are the leading cause of traumatic worker deaths and critical injuries in construction. To help stop these tragedies, **Ontario regulation** requires employers to ensure construction workers in their employ complete a Ministry of Labour-approved, Working at Heights training program before working at heights and using a fall restricting system, fall arrest system, safety net, work belt or safety belt. Since April 1, 2015, employers must ensure untrained or inadequately trained **workers on construction projects complete a Ministry of Labour (MOL)-approved working at heights training program.**

Workers who, prior to April 1, 2015, had met previous fall protection training requirements under the Regulation for Construction Projects (O. Reg 213/91), must be enrolled immediately in an MOL-approved Working at Heights training programs to be **completed before October 1, 2017.** This is an extension from the original deadline of April 1, 2017. Employers must have **written proof of enrollment** and have it available to a MOL inspector upon request.

WHSC *Working at Heights* training was one of the first to receive **MOL approval.** Our comprehensive one-day course is designed to ensure critical learning takes place. After successfully completing our program, participants receive a WHSC record of training card valid for three years. And because WHSC keeps all records of training, WHSC can provide replacement cards and complete training transcripts upon request.

**REGISTER NOW!**

**Batchewana First Nation of Ojibways**  
is sponsoring life-saving WHSC *Working at Heights*  
training **June 26, 27 and 28, 2017**  
@ the Batchewana Learning Centre

*Lunch provided*

**To learn more contact:**

Marlene Hewson  
Economic Development Officer  
Batchewana First Nation of Ojibways  
[marlene@batchewana.ca](mailto:marlene@batchewana.ca)  
(705) 759-0914, Ext #224

## TRAINING

▶ THE RIGHT THING. THE RIGHT WAY. [www.whsc.on.ca](http://www.whsc.on.ca) • 1-888-869-7950

**Arena**

### **REMINDER**

- **Bring your status card or other ID for yourself**
- **Must have ID for children and your spouse**
- **No third party pickups**
- **Third party notes are not accepted**

## **Ontario Electricity Support Program**

**\*\*Due to recent changes with the program made by the Ontario Energy board. The OESP has increased their credits by %50. Households that may not have qualified before may be eligible now. Those that have previously applied and did not qualify, will need to reapply under the new criteria. If an applicant did qualify, the change in the credit amount will automatically be applied to their account.**

### **Do you qualify?**

If you are a customer of an electric utility and in a lower-income home, you may qualify for a reduction on your electricity bill through the Ontario electricity Support Program (OESP).

### **You could receive a credit on your bill.**

The OESP will reduce the cost of your household electricity by applying a monthly credit directly on your bill.

### **What support could you receive?**

1. How many people live in your home, and
2. Your combined household income

**For example:** A home with four people and an annual income of \$37,000 will receive an on-bill credit of \$34 each month.

### **OESP credit amounts:**

If your home is electrically heated, or you rely on medical devices requiring a lot of electricity, OESP offers higher level of assistance. First Nations or Metis will also qualify for a higher level of assistance.

### **Ready to Apply?**

#### ***1. Gather up the following:***

- I. Your electricity bill
- II. Birthdates and names of all residents in your home as registered with the Canada Revenue Agency

- III. Social Insurance Numbers, Individual Tax Numbers, or temporary taxation numbers for residents over the age of 16

#### ***2. Go to [OntarioElectricitySupport.ca](http://OntarioElectricitySupport.ca)***

#### ***3. Complete the online application. Print and sign the consent form and mail it to the address provided on the website.***

You will be notified of eligibility after your application and signed consent form have been reviewed.

If eligible, the credit will appear directly on your electricity bill in about six (6) to eight (8) weeks from the date of approval. You will receive OESP for two years before having to reapply.

**Note:** if you have not filed an income tax return recently, or if your situation has changed since you last filed, you can apply for OESP through a designated agency. You will need to bring all of the documents listed in Step 1 above, plus proof of your household income.

### **Contact Information:**

**Phone 1:** 1-855-831-8151 (toll free within Ontario)

**Phone 2:** 1-800-855-1155 (TTY to TTY)

**OR,** if you have any questions or need assistance with the application. You can contact Rhonda Lesage in Niigaaniin at (705)759-0914 Ext. 220

# CRYSTAL SHAWANDA

**August 19<sup>th</sup>, 2017**

Child Welfare  
Unit

## **CHILD WELFARE UNIT – INTRODUCTION**

January 2017 Chief and Council approved and directed for a Batchewana First Nation Child Welfare Unit. After many years of challenges with Algoma Children's Aid Society we have begun a new relationship with Nogdawindamin as our Child Protection Agency. Our protocol defining our relationship with Nogdawindamin is being reviewed for approval.

Nogdawindamin has decentralized all prevention services to the First Nation.

We have not hired all staff for comprehensive services yet.

Presently we have;

BFN Child Welfare Unit Team Lead - Holly Syrette

BFN Child Welfare Representatives - Mark McCoy, Sandra Dewing & Christelle Sayers,

BFN Child Welfare Administrative Assistant - Lisa Boissoneau

BFN Community Support (Primary Role Prevention) – Rainbow Agawa

BFN Family Support – Vacant

BFN In-Home Support- Vacant

Thank You, We will continue to update information as it becomes available.

## **INTRODUCTION -AANIIN,**

My name is Rainbow Agawa and I am honored to be appointed as the Community Support Worker (Primary Role Prevention) in the Child Welfare Department for Batchewana First Nation. I am a Batchewana First Nation member who was born and raised in and around the area. My educational background includes Social Services Worker-Native Specialization at Sault College and Native Human Services through Laurentian University. I have worked for Indian Friendship Centre's, both here and in Sudbury for almost 4 years including programs such as Prenatal, CAP-C (0-6 years) and Literacy and Basic Skills. I was also the Community Tutor in Rankin for Batchewana First Nation over the past two school years.

My responsibility within the community is to provide effective prevention services to individuals and their families, as well as the community as a whole. My focus within this role will be on providing the community with the skills needed for positive parenting, nourishing living strategies, healthy relationships, parent and youth conflict resolution, addictions, as well as assisting the Child Welfare Team in anyway needed. These services are intended to aid individuals and their families from becoming involved with Child Welfare Agencies such as Nog-Da-Win-Da-Min and the Children's Aid Society.

I am very enthusiastic to take over this position and look forward to meeting each and every one of the community members. Please feel free to contact myself if you have any questions or ideas. Also, stay tuned for future events and workshops that I will be initiating.

Miigwetch, Rainbow Agawa

## TENDER NOTICE FOR CATERING SERVICES

The Association of Iroquois and Allied Indians is inviting bids from members of the Batchewana First Nation to provide catering services for AIAI's Elders Gathering.

**Event Details:**

**Event Dates:** Tuesday, August 22 — Thursday, Aug 24, 2017  
**Event Location:** Batchewana Learning Centre  
15 Jean Ave., Sault Ste. Marie, ON P6B 4B1  
**# of People:** 120 participants  
**Menu:** Bids are to be based on the attached menu

AIAI will cover the cost of renting the Batchewana Learning Centre kitchen. The caterer will be responsible for clean-up and for providing all plates, cutlery, napkins, condiments etc.

**Catering Service — Family Style:** Family style service features guests seated and the food is brought in platters and/or bowls and placed at each table. Guests serve themselves and pass the food around the table.

When preparing your bid, please include a "cost per person" in case of additional registrants. The caterer will be notified of the **final participant numbers** no later than August 4, 2017.

Indicate in your submission if you'll require a percentage of your bid upfront to assist with purchasing catering supplies. Upfront payments must not exceed 15% of your total bid.

Interested Batchewana community members are to submit their bid to the attention of Brandy Cornelius by email ([bcornelius@aiai.on.ca](mailto:bcornelius@aiai.on.ca)) or fax (519.675.1053) by **July 31, 2017**.

If you have any questions, please do not hesitate to contact Brandy Cornelius at 519.434.2761 ext. 235.

As an independent renewable power producer, our goal is to build, own, and operate sustainable wind, water, and solar generation projects. At BluEarth, we are developing and building a portfolio of energy projects that optimizes people, planet, and profits. We have The Power to Change the Future™.

Our foundational values are:

- ▲ Integrity
- ▲ Responsibility
- ▲ Passion
- ▲ Deliberateness
- ▲ Caring.

Our organizational values are:

- ▲ Sustainability
- ▲ Innovation
- ▲ Excellence.

## **Position Title**

Seasonal Snow Plow/Heavy Duty Equipment Operator

## **Location**

Bow Lake Wind Farm – Montreal River, ON

## **Reporting Relationships**

- ▲ Report directly to the Heavy Duty Equipment Operator & Mechanic;
- ▲ Reports indirectly to Site Supervisor, Bow Lake.

## **Accountabilities and Key Functions**

This position will be accountable for assisting the lead Heavy Equipment Operator with snow removal duties and other equipment operations in support of seasonal facility and road maintenance, as well as various other repair tasks. Key functions include:

- ▲ Inspects equipment on regularly scheduled basis;
- ▲ Complete truck/machine pre-start-up inspection which will require checking all fluid levels and looking equipment over for any deficiencies;
- ▲ Perform routine equipment maintenance/repair tasks such as changing vehicle fluids, fueling, greasing, etc.;
- ▲ Operating snowplows and sanding/salting trucks to remove ice and snow from roads and assigned areas;
- ▲ Perform grounds maintenance and other duties as assigned related to facilities and roads maintenance;

- ▲ Uphold all aspects of BEAM's Health, Safety & Environmental policies, practices, and programs and work to ensure that all activities are administered with the same care and requirements such that occupational accidents, injuries, and other hazards related to BEAM's activities are minimized and/or avoided
- ▲ Uphold BEAM's values and consistently enhance the image and reputation of the Company
- ▲ Other duties and tasks as assigned according to operational requirements.

### **Education**

- ▲ Relevant technical diploma, certificate or other training considered an asset.

### **Experience**

- ▲ 5 years' snow plow experience in off-road setting;
- ▲ Frontend Loader experience;
- ▲ Experience using heavy equipment tire chains;
- ▲ Other relevant experience an asset.

### **Personal Characteristics & Skills**

- ▲ Advanced knowledge of machine/truck air and hydraulic systems;
- ▲ Ability to work independently with minimal supervision;
- ▲ Mechanically inclined and able to operate equipment and machinery while monitoring multiple conditions and making multiple, complex, and rapid adjustments;
- ▲ Ability to operate heavy duty equipment such as snowplow, sander, dump truck, front end loader, common hand and power tools, mower, snow blower, chain saw, hydraulic jacks, shovel, ax, rakes, brooms, forklift, etc.;
- ▲ Ability to explain, demonstrate, and clarify to others within established policies, procedures, and standards;
- ▲ Ability communicate effectively with other team members, follow specific instructions and respond to requests from others;
- ▲ Ability to operate various communication devices (i.e. telephone, two-way radio, etc.);

### **Job Requirements**

- ▲ Valid class A & Z driver's license;
- ▲ Own transportation for travel to and from Bow Lake wind farm;
- ▲ Able to provide a satisfactory 5-year driver's abstract and 3-year insurance history report;
- ▲ Extremely flexible working hours, including nights, weekends, and holidays;
- ▲ Overnight stays at the site may be required during storm events;
- ▲ Work safely in proximity to and with large, rotating, electrical, and heavy equipment and other vehicles on a regular basis (including wind turbines, electrical lines, and other utility equipment);

- ▲ Work safely and responsibly in remote, bush conditions;
- ▲ Ability to exert moderately heavy (up to 50 pounds) physical effort in moderate to heavy work, typically involving some combination of climbing and balancing, stooping, kneeling, crouching, crawling, lifting, carrying, pushing, and pulling;
- ▲ Work outdoors in all weather conditions including, for example, extreme cold, rain, wet conditions, dust, and noise.

An information session on Bow Lake Employment Opportunities will be held on Wednesday July 12, 2017 at 7pm at the Elders Complex. Representatives from Bluearth will be available answer any questions.

## **About BluEarth Asset Management**

## **Position Title**

Wind Technician – Bow Lake Wind Facility.

## **Location**

Bow Lake Wind Project – Sault Ste. Marie, ON

## **Reporting Relationships**

- ▲ Reports directly to Site Supervisor, Bow Lake Wind Facility.

## **Accountabilities and Key Functions**

This position will be accountable for the safe and efficient operation and maintenance of the Bow Lake Wind Farm in Ontario; working with the Site Supervisor to ensure safety, environmental, production and annual budget targets are achieved.

Key Operations functions include:

- ▲ Perform scheduled and unscheduled maintenance, troubleshooting and repairs of wind turbine subassemblies and related components.
- ▲ Operate and care for company property and equipment in an efficient and safe manner;
- ▲ Perform status checks including clearing error codes on wind turbines and repairing the problem;
- ▲ Grease/torque wind turbines;
- ▲ Change gearbox oil in a designated area or wind field;

- ▲ Replace mechanical components;
- ▲ Service blade and hub components as required;
- ▲ Inspect and facilitate maintenance of collector electrical equipment, communications systems, access roads, gates and other site infrastructure
- ▲ Complete work orders, time cards and other paperwork when required for specific project or assignment;
- ▲ Maintain respectful and harmonious working relationships with all external stakeholders on behalf of BEAM and the owners;
- ▲ Providing operational support to sites across Canada including covering Wind Technicians during absences, as required;
- ▲ Upholds all aspects of BEAM's Environmental, Health, & Safety policies, practices, and programs;
- ▲ Uphold the company's core values;
- ▲ All other duties as assigned by the supervisor.

### **Key Success Factors**

- ▲ Assist in operating the facility while maintaining zero environmental, health and safety incidents and/or occurrences;
- ▲ Assist in operating the facility to achieve greater than 98% availability, and maximizing project return while respecting approved budgets;
- ▲ Work effectively and efficiently in a team environment;
- ▲ Maintaining key relationships with landowners, stakeholders and agencies.

### **Education**

- ▲ Wind Turbine Technician certificate, Technical Diploma or Trade Certificate in Mechanical or Electrical;

### **Experience**

- ▲ Minimum two years of Wind Power experience preferred;
- ▲ Experience working around high, medium, and low voltage equipment;

### **Personal Characteristics & Skills**

- ▲ Ability to read and interpret documents such as safety regulations, and operations, service and other procedural manuals;
- ▲ Ability to read and understand electrical and hydraulic schematics;
- ▲ Familiarity and competency with industry standard SCADA systems and software;
- ▲ Excellent troubleshooting skills for both electrical and mechanical systems;
- ▲ Familiarity with testing and troubleshooting equipment such as multimeters, voltage testers, etc.;

- ▲ Driven to succeed in the role and grow skills to a senior level;
- ▲ Good communication skills, both verbal and written, with ability to write routine reports and correspondence;
- ▲ Possess an action-oriented approach with a strong work ethic and high integrity;
- ▲ Strategic thinker – able to understand and evaluate technical issues in relation to the overall business;
- ▲ Able to work as part of a team with various personalities with limited supervision;
- ▲ Able to exercise independent judgement and discretion, as well as act in a professional manner when representing the company;
- ▲ Highly flexible and able to quickly adapt to changing priorities;
- ▲ Good sense of humour;
- ▲ Reliable, dependable and professional;
- ▲ Possess a sense of ownership and pride in successful operations.

### **Job Requirements**

- ▲ Valid class G driver's license;
- ▲ Ability to occasionally travel within Canada to support operations at other sites;
- ▲ Familiarity with Microsoft Office product such as Excel, Power Point, and Outlook;
- ▲ Physically capable of working in various plant and field conditions, including climbing wind turbines, working at heights in excess of 300 feet, and working in variable and adverse weather conditions, as long as safe to do so;
- ▲ Ability to work a varying schedule including early mornings, late evenings, weekends and holidays, in addition to being on-call.

An information session on Bow Lake Employment Opportunities will be held on Wednesday July 12, 2017 at 7pm at the Elders Complex. Representatives from Bluearth will be available answer any questions.
