Community Update: Distribution of Legal Fees

September 2026

Community Update: Distribution of Legal Fees

Batchewana First Nation Chief and Council wish to inform members of an important update regarding the third per capita distribution.

Batchewana First Nation has received a portion of returned legal fees from the Robinson Huron Treaty Litigation Fund (RHTLF) and will be issuing these funds as a third per capita distribution (PCD) to members. This follows an October 28, 2025 decision by Justice Myers of the Ontario Superior Court of Justice, which ordered that \$232 million, plus interest, be returned to the RHTLF and treated as settlement proceeds.

In accordance with the Compensation Disbursement Agreement (CDA), these returned legal fees will be distributed among the Lake Huron First Nations. Batchewana First Nation's share of this distribution is \$15,974,242.93. Each eligible BFN member will receive \$3,000.

The process to receive your distribution is the same as the previous PCD's:

1. Complete the Third Per Capita Distribution Release Form (can be found on the bfn website at www.batchewana.ca on the homepage of the site)
2. Submit the Release Form via email to bfnrhtrelease@batchewana.ca or drop off a hard copy to the BFN administration office or Health Centre
3. If you are emailing your waiver, please reference "BFN RHT PCD #3" in the subject line.
4. BFN will be processing payments weekly as forms are received.

Please be advised that electronic signatures are not accepted, all forms must have a handwritten signature.

Miigwetch,

Batchewana First Nation Chief and Council

Community Update: Legal Fee Distribution Update

Legal Fee Distribution Update

Greetings, Batchewana Members,

Since our last update regarding the distribution of legal fees, we have received an overwhelming response and a significant number of completed release forms. We would like to thank all members who have submitted their forms so quickly.

To date, we have received 2,000 + release forms, and we continue to receive more daily. We have started processing payments with 670 going out today, and additional payments to be processed throughout next week and ongoing weekly after that.

If you have not yet submitted your release form, copies are available on the Batchewana First Nation website at www.batchewana.ca. Completed forms can be submitted by email or dropped off at the BFN Administration Office or Health Centre.

Please remember, if completing the form online, please print out and sign then scan and email back, electronic signatures are not accepted.

Thank you for your continued cooperation and patience as we work through the distribution process.

Batchewana Education Department

EDUCATION UPDATE

BFN EDUCATION IS MAKING THINGS CLEARER

Clearer eligibility. Simpler registration.

Better Connection to Education Services

For the 2026–27 school year, the BFN Education Department is introducing an updated Annual Registration process and clearer information about eligibility, financial assistance and Education services.

The goal is to to:

- make requirements easier for families to understand;
- simplify registration and financial assistance;
- apply eligibility requirements consistently; and
- help our staff spend more time connecting students and families with supports.

Important: Annual Registration is for financial assistance (sometimes referred to as allowance or attendance cheques). It is not an application for Education services.

More information is coming about eligibility, registration dates and financial assistance.

EDUCATION UPDATE

UNDERSTANDING BFN EDUCATION ELIGIBILITY

Why are we clarifying eligibility?

- BFN supports a growing number of students and families both on and off reserve. At the same time, Education funding has not grown at the same rate as our population and demand for supports.
- Clear eligibility requirements help ensure available funding is distributed fairly, consistently and sustainably.

Who is eligible for BFN Education financial assistance?

- the student must be a registered status member of Batchewana First Nation and have their own status/ band number.
- a parent/guardians status does not establish eligibility.

Important: If you do not qualify for financial assistance, you can still be eligible for Education services.
